Issue 03

Shiner Cruise

Under the Hood with.....your Prez, *David Harris*

Howdy,

Another great tour in February to the Shiner area. Tour Director David Schutz put together another nice package of a great drive, good place to eat and an interesting museum to visit in Shiner. If you didn't make it, make plans to make the next one. It's a lot of fun being out in our Model A's, enjoying the fellowship of the club, and making new friends along the way. This is how we promote our love of the Model A's and recruit new people for our hobby. A good example is David Schutz brought his son and grandson on the tour. It will be great if we can recruit his grandson. Gary East also brought along his sister Mary. I enjoyed visiting with her and I invited her to come back for the Poor Boy Tour.

March is Our Month. Victori-A's is hosting the 56th Annual Poor Boy Tour this year in Cuero on March 27-29. I am proud of the way our club has stepped up to fill the gap of a host for the tour. I am also grateful for the offers of help from the Alamo A's and the Piney Wood A's. The offers are much appreciated, however I believe we have the major bases covered. I am sure there will be more details to cover but we are looking good. Room reservations are coming in pretty steadily; 30 rooms out of 35 have been reserved. Registration forms are trickling in. I encourage you to book your room, if needed, and send in your registration early so we can lock down our numbers with the caterer.

We will not have a March drive separate from the Poor Boy Tour. We will be back with a club tour on April 11. Current plans are to drive to Goliad for Market Days or some other event and then come to our ranch for lunch.

Vice President Larry Parker is working on the details for participation recognition. It is looking like some type of recognition for our members that reach certain miles driven in a year. It may be a 250-mile or a 500-mile award. Please make a note of your current mileage as we may start from March 1. If your odometer doesn't work, you can use an app. I use "Speedometer." Or it may be time to restore your speedometer. We have a very good speedometer repair team in our area, Eddy and Kim Morris.

Thank you for your active participation in our club. Anita and I enjoy every chance we get to be out and about with the club in our Model A. Please keep thinking of ideas on how we can share our passion with others in the community and perhaps recruit a few new members.

In the meantime,

Enjoy the Ride in your Model A!

Sincerely,

David

MINUTES OF MEETING
VICTORI-A'S MODEL A FORD CLUB
FEBRUARY 9TH ,2026

Gary East said the blessing before our meal and President David lead us in the Pledge of Allegiance.

Pres David called our meeting to order at 6:15 pm at Casa Jalisco.

The minutes from last month meeting were read by secretary Chris there were no corrections. Ron made motion to accept minutes and Gary East seconded motion.

Treasurer report will be given at next meeting.

David Shutz gave a rundown on February outing. We drove to Shiner to Wolters Museum and had lunch at Kloesel's steak house in Moulton, then back home.

There were 4 Model A's and 10 people who made the trip. Gary East made motion to donate \$50.00 to the museum and Gary H seconded motion.

David, Larry & Pres David went to Cuero to set up the route for the Poor Boy tour. First stop Cuero chamber of commerce they were really helpful. They gave them a map of their blue bonnet tour so we will follow one of their routes they also will provide goody bags for the tour. Second stop, blocking rooms at hotel and lastly located a venue to have our Saturday evening meal. Annita was home base for the guys they would send information to her. Annita was then able to call and reserve the hall, reserve the pavilion and book the cater for Saturday evening meal. Our host hotel is Fairfield Inn, dinner venue is a Cuero Municipal Club house and Saturday's evening meal will be catered by S&J caterers. Saturday lunch will be in Yoakum at the big pavilion in the park subway sandwiches.

Nena read a list of birthdays for the month of February there were no anniversaries, we then sang happy birthday to members. Nancy reported everything is going well the national magazines. Annita has been busy posting some great pictures of our outings and information about the Poor Boy tour.

Watch your e-mail for updated information.

Next meeting will be March 9th 5:30 at Jalisco's.

Before adjourning we drew for the 50/50 pot Pres David had the winning number, he received \$18.00 and the other half goes into the club's account. After a joke from Pres. Davi he then adjourned meeting at 7:45pm.

Respectfully submitted

Chris Grahmann

Membership in the MAFCA or MARC is not mandatory (board members must have membership) to join the Victoria-A's, but we do encourage all members to join one or both. Application forms for these clubs can be obtained on the website as follows: MAFCA www.mafca.com (\$50); MARC www.modelaford.org (\$50). You will receive all the national information and opportunities in the enjoyment of your Model A. You will also receive *The Restorer* magazine. (MAFCA) or *Model A News* magazine (MARC). Membership does not require the actual possession of a Model A, but merely an interest in the club's objectives, and a desire to take an active part in club activities.

What you should see in the March/April issue of *The Restorer* or *Model "A" News*

Chapter Report

We finished out the year participating in the Veterans Day Parade, then the Victoria Lighted Christmas Parade. Pictured is our new Vice Present Larry Parker participating in the Nixon TX Christmas Parade. He is a new Model A enthusiast and very excited about the Model A hobby/lifestyle. We welcome him to our club. And we look forward to participating in our annual Poor Boy Tour, Autumn A Tour, Texas Tour, and many other activities.

Nancy Whiddon
Victori-A's Model A Ford Club

Thanks to all club members and friends for pictures and info, *On the Road*, *The Flying Quail*, *The Ford Squeaks*; *Cowtown A* for articles and information in this issue of our newsletter.

Successful Model 'A' clubs have one common ingredient. They have members that will plan events and volunteer to assist in running the organization.

It's a necessary ingredient.

Retro from our March 2025 issue

Cruise to Yoakum

As we begin 2026, I extend my sincere appreciation to all volunteers stepping up to serve as chapter officers. Your commitment is essential to maintaining your chapter as a welcoming space for socializing, touring in the Model A, and sharing expertise – particularly with new and younger members. To ensure the future of our hobby, it is essential that we attract new members and share our collective knowledge.

At this time of year many of us have our Model A's in the garage. However, when the weather allows, it is always rewarding to take the Model A out for a drive. Last year, I made myself a challenge to drive my Model A every month. While a little snow wasn't an issue, I had to be cautious about the salt on the roadways in our area. Fortunately, I was able to meet my challenge. This year, though, we have had too much snow and salt on the roads to continue that challenge. I'm hopeful that better conditions will return soon, so we can all enjoy more time behind the wheel.

This is also a great time to get to those Model A projects that you put off until the end of last year's touring season. I have a generator that I would like to install an electronic voltage regulator. Only problem is when I tested the armature on my growler it failed and another armature had to be found. Now it's time to finish that project.

Looking ahead we will have a great opportunity to tour while attending the Pendleton National Convention taking place from May 31 - June 7, 2026. This will be a memorable event taking place in the beautiful foothills of the Blue Mountains in north-western Oregon. Jack Remillard and his team have planned something for everyone to enjoy. Be sure to join us and register for this event.

In the meantime, I'm looking forward to better Model A weather.

Jim's Tech Tip

Working Around Your Car's Battery

Whenever working on the electrical parts of your car, it is a good idea to de-energize everything to prevent an accidental short circuit. For example, one of the horn wires is "hot" all the time, so any time you do anything with the horn cover, it's a good idea to disconnect the battery. The same is true of the brake light switch and the wires inside the instrument panel in the car.

If you have a fuse on the yellow wire that comes off of the starter switch, just removing the fuse will do the trick. Or if you have a battery cut-off switch on the car, that will kill the power to everything.

But in many cases you need to disconnect the ground strap from the battery in order to make sure everything is without power. Perhaps you need to remove the starter cable, or the battery itself. **Whenever you remove cables from the battery posts, it is a really good idea to cover the battery post with something to prevent accidental contact between it and the other battery post.**

For example, if you dropped a wrench or other metal tool while working around or above the battery, it could land on top of the battery touching both posts. This will short out the battery, which can be a really big problem, resulting in a fire or perhaps the battery exploding acid all over.

When you buy a new battery for most cars today, they are sold with one or two small plastic caps over the battery posts. I see them in red and black plastic. If you go to your local auto parts store, the people there may even give you a few of these caps, if you ask.

I keep several of them in my box of battery-related tools and things, to put over the posts of any battery I am working around. It is easy to do and only takes a minute.

Take a minute to be safe. Enjoy! *And Have a Model A Day!* Jim

National Events

§ The 2026 National Convention will be held in Pendleton, Oregon, home of the annual Pendleton Roundup Rodeo and Pendleton Woolen Mills. This Ain't Our First Rodeo! Make your plans today to attend May 31 thru June 7. For more information click on the following link. <https://www.2026mafcanationalconvention.com>

§ The 2026 National Awards Banquet will be held in Cincinnati, Ohio, hosted by the Ohio Valley Region Model A Club, December 10 thru 12. More information will be available in early 2026.

§ The 2027 National Tour will be in the beautiful state of Colorado. It will be a hub and spoke tour out of Durango, early in the month of September. Six days of activities are planned and would include a Welcome Party, 3 or 4 driving tour days, a day to ride the Durango & Silverton railroad, a day for car games, a Model A car display with a free ice cream social, Hubley Derby, and a Farewell Banquet. Come travel the beautiful Colorful Colorado roadways in the Centennial State. More information on Facebook <https://www.facebook.com/groups/714158935018610/>
